Circuits LLC expands sales presence in Florida

FOR IMMEDIATE RELEASE

Murrysville, PA. March 16, 2010, Circuits, LLC announced the signing of Florida-based Pro Rep Solutions as a Manufacturer's Sales Representative for its flexible and rigid-flex printed circuit boards. Pro Rep Solutions, established in 2008 brings a team of experienced electronics sales professionals with 85+ years in customer design support and services to the Circuits' lineup. The Pro Rep Solutions staff is armed with both Electrical and Mechanical Engineers giving them the technical electronics manufacturing knowledge necessary to support the military, aerospace and defense companies throughout the Florida region.

Rick Morin, President of Pro Rep Solutions said "We are very excited to work with Circuits, LLC, they are a natural complement to our electronics line card and many of our existing clients have struggled to find a reliable flex house to partner with in the US." Lori Vidra, Circuits Vice President of Marketing concurred "Pro Rep Solutions is a very good match for Circuits, not only because of their industry expertise, but their high standards of integrity, it's really nice to find a rep partner with a reputation for exceptional customer service." Vidra also added that she fully expects to add more sales representatives throughout the year to expand Circuits' national sales presence.

About Circuits, LLC

Circuits, LLC is a quality-driven, customer-focused manufacturer of highly reliable built-to-spec flexible printed circuit boards serving the defense, industrial, and medical markets with consistent quality and on-time delivery unsurpassed by competitors.
